

FOR IMMEDIATE RELEASE

Tremont International Expands Portfolio with Acquisition of Colombian Cold Storage Firm, Frozen Logística y Valor S.A.S., via Colombian Subsidiary Tremont Capital, S.A.S.

Bogotá, Colombia - Tremont International Corp., a renowned player in the global real estate and financial investment sectors, has broadened its supply and logistics solutions portfolio. This expansion is marked by the strategic acquisition of Frozen Logística y Valor, SAS, a leading cold-storage transport company. This move signifies Tremont's commitment to enhancing its operational capabilities and providing comprehensive solutions to its clients.

We are delighted to confirm the successful completion of our latest acquisition this week. This strategic move unites two powerhouses in the supply and logistics industry, paving the way for enhanced streamlined solutions. Our focus remains on driving cost efficiencies and optimizing operations, a win-win proposition that benefits both our valued customers and our business. We look forward to a future of continued growth and innovation.

Frozen Logística y Valor, SAS, is a specialized cold transport logistics solution provider. This strategic acquisition is set to significantly enhance Tremont's existing logistics capabilities, particularly in synergy with Pegasus Logística, a Tremont-owned company that offers comprehensive logistics solutions.

Frozen Logística y Valor, SAS, based in Soledad, Atlantico, Colombia, is renowned for its integral services in the refrigerated and frozen supply chain. The acquisition will allow Tremont International Corp. to leverage Frozen Logística y Valor's expertise in cold transport logistics, thereby expanding its service offerings and enhancing its ability to meet the diverse needs of its clients.

"We are thrilled to welcome Frozen Logística y Valor, SAS to the Tremont family," said a spokesperson for Tremont International Corp. "This acquisition is a strategic move in line with our ongoing efforts to expand and diversify our logistics capabilities, not only across Latin America and the Caribbean, but also with a vision towards global expansion. By integrating Frozen Logística y Valor's specialized services with Pegasus Logística's expansive shipping abilities, we are poised to deliver even more comprehensive and efficient logistics solutions to our clients."

Tremont International Corp. is committed to providing innovative and tailored solutions to its clients. With this acquisition, the company continues to strengthen its position as a leading provider of logistics services, demonstrating its commitment to growth and customer satisfaction.
